## War, Terrorism and Political Violence

Political Violence perils are dynamic in nature. Whether political, social or economic, the causes are sometimes unclear and unpredictable but their impact is significant. They can have a devastating effect on business. Whether an organization is global, regional or has exposure in just a single country, the demand for War, Terrorism and Political Violence (WTPV) coverage has never been greater.

We are here to help when businesses face challenging operating environments and evolving risks. Our WTPV policy help companies enter and succeed in these markets by mitigating the potential impact of these risks, thereby fulfilling lender requirements, and satisfying corporate governance duties where necessary.

### Who buys WTPV Insurance?

Our WTPV coverage is designed to cater for a diverse spectrum of clients and industry groups ranging from small businesses to large multi-nationals. It is not just large high profile organisations which can be affected by terrorist attacks or outbreaks of political violence. Smaller companies are no less vulnerable to collateral damage.

Typical industry groups which buy WTPV insurance include:
