

XL Insurance

APAC & Europe / Cyber & Technology

CyberRiskConnect product overview

Unmatched coverage just got better. Our cyber and technology insurance policy – CyberRiskConnect – now comes with expanded coverage and even broader terms to protect against today’s emerging risks.

What makes CyberRiskConnect different?

Our policy form is written in a way that is easy to read and navigate with embedded hyperlinks. It includes broader terms and expanded coverage for emerging risks.

More specifically, the policy provides:

- Business Interruption coverage applies after a waiting period while for Extra Expense only a retention applies
- Expanded definition of “outsourced provider” to include any third party contracted to perform any business service on behalf of an insured company
- Insured has access to in-house and external AXA XL partner industry leading cyber experts to assist with cyber claims and with pre-incident consultations and proactive services
- Access to services through best-in-class vendor partners to assist Insureds with cyber security needs
- Third party recall loss of use coverage
- Broad E&O trigger

Capacity

- Up to EUR/AUD/SGD 15 million
- Coverage available on a primary or excess basis

Breach Response Providers

As a part of your CyberRiskConnect policy, we've negotiated preferred rates for breach response services from best-in-class providers that have demonstrated excellence in cyber incident response and data privacy. Our broad network of providers allows flexibility to choose those that best suit your organization and the event. For more information please ask your AXA XL contact.

Proactive Services

As part of our on-going commitment to provide clients with industry leading service, we globally partner with a panel of expert vendors to offer one-hour complimentary consultation services. For more information please ask your AXA XL contact.

CyberRiskConnect eRiskHub

Our policyholders receive complimentary access to AXA XL's **CyberRiskConnect.eu** portal which is updated with the latest resources to help your organization successfully understand and mitigate exposures, establish a response plan, and minimize the effects of a breach on your organization.

Claims

- Dedicated and experienced attorneys who provide hands-on service through the entire breach and claims process
- Ability to submit data breaches via a 24 hour hotline staffed by our claims team
